

Volunteers!

Do you enjoy the performing and visual arts?

Yes, Tell Me More...

The Yocum Institute for Arts Education is looking for Apprentices ages 15+ to join our summer camp team. We run Arts Connection Camps all summer long, and need eager and willing students to aide the children and assist our professional teaching artists.

What Would I Do?

You will be working with children ages 3-12 through each art discipline – music, dance, theater & visual arts as they create and explore new concepts and expression. *We offer Special Incentives to Volunteers!*

You are required to work a minimum of 1 shift of a full week if you are accepted.

Camps run in 2 shifts:

8:30am – 12pm & 1pm-4:30pm
