

Chocolate Covered Pretzel Rods

Ingredients:

8 oz. semisweet chocolate chips
18 pretzel rods (such as HERR's 10 ounce bag)

Directions:

1. Line a rimmed baking sheet with waxed paper; set aside. Place semisweet chips in a microwave-safe dish. Microwave on high in 30-second increments, stirring after each, until chocolate is just melted, about 1 minute. Remove; stir until smooth.
2. One at a time, roll one end of pretzel rods into melted chocolate, using a spoon, coat each 3/4 of the way up.
3. Place pretzels on waxed paper covered baking sheet. Refrigerate until set, about 15 minutes.

Topping:

Sprinkle holiday sprinkles or rainbow sprinkles over chocolate.
