Waiver and Release

I authorize the staff of Bison Field Hockey Camp to act for my child in accordance with their best judgment in an emergency requiring medical attention, and understand that field hockey is a game with inherent risk, and therefore waive and release Bison Field Hockey Camp and camp staff from any and all liability for injuries incurred at camp. I have no knowledge of any physical impairment that would affect the above named camper's participation in camp. I am also certifying that the above named camper is covered under the insurance policy information provided.

BISON Field Hockey Camp

July 21st-24th, 2014

at
Bucknell University

Camp Philosophy

The more fun things are, the faster people learn. We have a strong commitment to improving each players' basic skill and advanced game concepts in the most enjoyable way possible. We also believe that young player's fundamental skill is the avenue to faster acquisition of the higher level tactical concepts. Our game is shaped by the current international trend toward an upbeat, faster tempo style that utilizes every square inch of the field. Team offensive emphasis will be placed on basic outletting, elimination skill, the creation of space in the attacking end, and finishing. Defensive emphasis will be placed on group organization and team tackling.

Facilities

Bucknell University provides campers with a fantastic college campus set in beautiful Central Pennsylvania. The hockey stadium boasts an oversized, state of the art AstroTurf 12 field hockey field, and a newly constructed covered stadium with seating for 1,000 spectators.

Camp Coaches

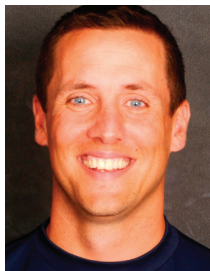

Bison Field Hockey Camp is staffed by experienced camp coaches, all possessing collegiate and/or international coaching experience. We feel that the game has never been easier to play, and we are committed to helping you love the game the way we do! Each coach will be assisted by a current college student-athlete. We are also committed to maintaining a ratio of no more than 8 campers for every staff member. There will be a certified athletic trainer on site for all activities.

Arriving and Departing Camp

Campers will need to arrive between 11am and noon on July 21st to register and check into the dorms. The first camp session will begin at 2pm, and dinner that evening will be the first meal served. The camp will finish with tournament style games on the morning of July 24th (parents are welcome!) Campers will be ready for departure at noon on the 24th.

Contact Info

Please contact camp director Jeremy Cook with any questions and/or concerns by phone at 570-577-1927, or by email at jac059@bucknell.edu.

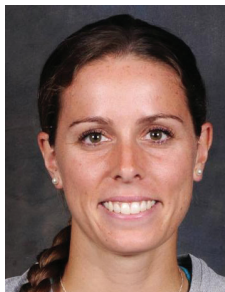

Jeremy Cook Camp Co-Director

Jeremy has just completed his sixth season as the Head Coach of the Bucknell University Field Hockey program, which have been among the most successful in program history. Jeremy has been coaching in Division I for more than 15 years, and is heavily involved at the national level with USA Field Hockey. He has served as an assistant coach with both our US Men's and Women's National Teams, and has served in both the senior and junior high performance programs. Jeremy's playing career included representing the USA internationally both indoor and outdoor, competing in the Pan American Games, three Pan American Indoor Cups, and the Indoor World Cup. He also spent time playing in The Netherlands for the men's first team of HC Rotterdam.

Sandra Cook Camp Co-Director

Sandra is the founder of the Bison Field Hockey Club, and has directed numerous camps and clinics, most recently with Champions Edge Field Hockey, and the Ka-Pow Hockey Klub. She has served as an assistant coach at Bucknell University, Drexel University, Indiana University, and at the University of Pennsylvania. Sandra played collegiately at Drexel University, where she was named to the America East All-Conference Team and was selected as an NCAA Division I Senior All-Star. She also had the honor to represent the USA, competing for the U.S. National Indoor Hockey Team and earning a silver medal at the 2005 USA Pan American Cup. Outside of hockey, Sandra is a Nurse Practitioner at The Family Practice in Selinsgrove, PA.

Erin Singleton Assistant Director

Erin is in her second stint as an Assistant Coach at Bucknell, specializing in goalkeepers, after a decorated career at the College of the Holy Cross. During her time in cage for the Crusaders, Erin recorded a .773 save percentage, ranking her 12th nationally, and earned the title of Patriot League Goalkeeper of the year three years running! Erin also boasts a Masters degree from Bucknell in Sports Psychology.

Meghan Dawson Assistant Director

Meghan is an Assistant Coach for Bucknell and graduated from The University of North Carolina in 2011 after helping them to four final fours including two national championships. She then had a stint on the US Women's National Team, while working at her alma mater as an assistant. Megan is also a member of "The First Family" of field hockey, one of six sisters to play D1 in college, and one of three with national team experience.

Tuition

Tuition is \$450 for players registering as individuals, \$425 for players registering in groups of 10 or more, and \$300 for extended day campers. A deposit of \$150 is required for initial registration for both day and residential campers, and the remaining balance will be due (cash or check) upon arrival at camp. Residential camp tuition includes on campus air conditioned housing for three nights, all meals, quality skill and game instruction, a camp T-shirt, and other fun camp activities. Tuition is fully refundable until two weeks prior to camp, cancellation within two weeks of camp will result in the loss of the \$150 deposit unless a replacement can be found from the waiting list. If you would like to take part in the camp but have a partial conflict, please be in touch with us and we can set up a pro-rated tuition based on the sessions you are able to attend.

Extended Day Camp Option

Extended day campers will participate in all training and educational activities along with the residential campers. The day campers will arrive at 8:30am and depart at 9pm at the conclusion of the evening training session and will eat lunch and dinner with the residential campers in the campus dining hall.

Enrollment

Bison Field Hockey Camp is open to all players entering grades 9 through pre-college, and will be filled on a first come, first serve basis. Players that sign up with a team will remain with the team throughout the skill instruction and evening game play, and players that register as individuals will be grouped with players of similar level for skill instruction, and will be assigned to balanced teams for the evening games.

Please complete and detach the "registration" section of this brochure. Mail this, along with your initial deposit of \$150 to:

**Bison Field Hockey Camp
P.O. Box 243
Lewisburg, PA 17837**

Please make all checks payable to "Bison Field Hockey Camp," and please do not send any checks or correspondence after July 1st of this year. Once we have received your registration, we will send an email confirmation, if you do not receive this confirmation within three weeks of sending your registration form and deposit, please get in touch with us. Additional information will be sent in May including a health screening questionnaire, a schedule of activities, and specific driving directions.

Bison Field Hockey Camp is a private summer sports camp held on the campus of Bucknell University. Other than the location and it being directed by Head Coach, Jeremy Cook, Bison Field Hockey Camp has no other affiliation with Bucknell University.
