

Wilson Water Polo Parents' Organization
Eighth Annual Senior Athlete Water Polo Scholarship

The Wilson Water Polo Parents' Organization is sponsoring its Eighth Annual Senior Athlete Water Polo Scholarship. The purpose of this award is to recognize one senior male athlete and one senior female athlete who have continually demonstrated the **Six Pillars of Character** as well as a dedication to the sport of water polo in the Wilson Community. The six pillars include Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship which are all a cornerstone of not only the Wilson Water Polo Program but Wilson Athletics.

Candidates will be asked to provide all information regarding their involvement in the sport as a player as well as a volunteer and will be asked to answer two questions. All aspects of the student-athlete will be considered and not purely based on their response to the two questions.
