

MRS. MINER

My name is Brandy Miner. I have lived in the Wilson community for the last 17 years and I am excited to begin my career at Wilson School District. When I am not helping to take care of students and guests in the office, I am a very busy mom to two boys, Mason and Dawson. Mason attends Wilson High School and Dawson attends Cornwall Terrace Elementary. You can also find me in the pool swimming and diving whenever possible! I am looking forward to a fantastic school year!
