Tournament Rules and Regulations

1. We will follow current NFHS Playing Rules with the following exceptions.
2. The team listed first should wear dark caps.
3. Each team will be permitted one time-out per game (1:00 in length).
4. Quarters are six minutes in length with 2:00 between each quarter.
5. Unfortunately all of the pools are not all deep therefore: If a player is deemed to be intentionally standing on the bottom for defensive advantage, the player may be ejected NFHS rules. As we are playing in shallow/deep pools, this helps to ensure the integrity of the game.
6. Overtime: two 3:00 periods. If still tied we will go with 3:00 periods until a team scores (sudden victory).
7. If two team's records are tied for advancement to the flight rounds we will go with least goals allowed between the teams involved. That said there is NO NEED TO EVER RUN UP A SCORE ON AN OPPONENT, SPORTSMANSHIP IS STRESSED AT ALL TIMES IN THE TOURNAMENT. If you notice early on (especially in the preliminary round on Friday) that your opponent is over matched please use your discretion. Continue to play solid defense but please do not continue to rack up goals.

Gate Fees

Each site will have a daily gate collected (\$5/Adult, \$3/Student & Senior Citizen). You will need to pay at each site throughout the tournament. We ask you inform your parents and still encourage your fans to attend. This gate helps defray the cost of the event and everyone gets to see some great water polo!
